## SPECIAL OFFERING

### FORUM HEATERS

This year's offering will go toward adding heaters for the Forum, which will allow our largest indoor space to be used during the cold winter. The estimated cost of this project is \$20,000, and Camp Tadmor has committed to cover the remaining funds needed after the offering.

# THINGS YOU NEED TO KNOW

**WRIST BANDS** – Please wear your wristband at all times, as it validates your registration. For those who have meals included, your wristband is also your meal ticket; it will be marked when you go through the line.

**PARKING** – We have a designated parking area for cars near the Reg. Tent. For those staying in cabins or camping on the Forum or nearby fields, please move your car to the designated parking areas after you unload/set up.

**FIRST AID STATION** – This is located at the Cascade Center, next to the Dining Hall.

**SEAT SAVING** – You may save one spot next to you while you are sitting in your seat. Please do not save sections or rows or be subject to losing them when others arrive and claim them.

**CAMP FIRES** – Because of the high fire danger, Tadmor has a NO CAMP FIRE policy. Any additional restrictions from local authorities will also be enforced.

**SMOKING TOBACCO** – While we discourage smoking at Tadmor, the area immediately in front of the Tadmor office is reserved for those who feel the need to smoke. Please use the receptacles provided. Marijuana is prohibited anywhere on camp.

**DRINKING** – Drinking of alcoholic beverages at Tadmor is prohibited.

**NOISE** – For the sake of those who are trying to sleep, no RV generator use and keep noise to a minimum between the hours of 11 PM and 6 AM.

**LOST AND FOUND** – This is located in Cedar Creek, the camp store next to the Dining Hall.

**SESSION AUDIO AND VIDEO** – Audio and video recordings of the speaker will be available on our YouTube page.

**PISTOL RANGE** – The pistol range is closed during Forum sessions. Only hand guns are allowed and only when an appointed Range Safety Officer is present.

**DISC GOLF** – Hole 2 is closed during all Forum sessions. Hole 17 is closed for the entire weekend.

**SWIMMING AND BOATING** – Swimming and boating will be done only when a certified lifeguard, approved by Tadmor, is on duty. Please exercise caution while in or near the lake.

**SPECIAL OFFERING** – Every year we take a special offering for a selected project. Please give as generously as possible to this worthy cause.

**PHONE INTERNET** – There is no camp phone available except for emergency outgoing calls. Emergency incoming messages may be left at 541-401-8311. Camp's internet service is not able to support the number of guests at MRU. You may be able to see a wi-fi network, but you won't be able to connect to it.

**SOLICITING** – Please refrain from sharing private "business opportunities". Let us gather for the purpose of worshiping our Creator this weekend.

**TIPPING THE VOLUNTEER STAFF** – The young people serving in the Dining Hall and around camp volunteer their time to serve us. We would like to say thank you in a mighty way. All tips will be given to the volunteers. PLEASE give as generously as possible!
